Re: FOIA Request NLRB-2023-001582

Dear Peter Glynn:

This is in response to your request, under the Freedom of Information Act (FOIA), 5 U.S.C. § 552, received on June 12, 2023, in which you seek copies of the petition, initial letter to the parties, and post-hearing briefs in *Eversource Energy*, Case No. 01-RC-314865.

We acknowledged your request on June 12, 2023.

A search of the Agency's electronic casehandling system, NxGen, has been conducted. This search has located the requested records, which are attached. The records are being released in full at this time because a public hearing in the case has since opened before a Hearing Officer. Your request is, therefore, granted in full.

For the purpose of assessing fees, we have placed you in Category D, the "all other requesters" category, because you do not fall within any of the other fee categories. Consistent with this fee category, you will be assessed charges to recover the reasonable direct costs for searching for the requested records, except that you will not be charged for the first two hours of search. NLRB Rules and Regulations, 29 C.F.R. § 102.117(d)(2)(ii)(D). Charges for all categories of requesters are \$9.25 per quarter hour of professional time. 29 C.F.R. § 102.117(d)(2)(i).

Less than two hours of professional time was expended in searching for the requested material. Accordingly, there is no charge assessed for this request.

You may contact Michael A. Maddox, the FOIA Attorney-Advisor who processed your request, at (202) 273-0013 or by email at [Michael.Maddox@nrlb.gov](mailto:Michael.Maddox@nrlb.gov), as well as the Agency's FOIA Public Liaison, for any further assistance and/or to discuss any aspect of your request. The FOIA Public Liaison, in addition to the FOIA Attorney-Advisor, can further explain responsive and releasable agency records, suggest agency offices that may have responsive records, and/or discuss how to narrow the scope of a request in order to minimize fees and processing times. The contact information for the FOIA Public Liaison is:
